### Speakers

**Dr Duncan Wong** is the founder of a technology company focusing on developing, deploying and operating Blockchain software solutions and specializing in developing trade finance, insurance, cryptocurrency, and asset management DLT platforms.

He was the Vice President in charge of the Financial Technologies (FinTech) Initiative at the largest R&D Center in Hong Kong, the Hong Kong Applied Science and Technology Research Institute (ASTRI). Dr Wong has also been a professor at the Chinese University of Hong Kong, then tenured at the City University of Hong Kong.

**Mr Freeman Ng** is the Principal Consultant with 30 years of IT experience. He provides information security services to financial institutions and multinational corporations in Hong Kong, Macao, and Mainland China. Prior to the current position, he has hands-on IT technical and risk management experience in world-class banking, financial institutions and multinational corporations, including Standard Chartered Bank, Unisys and NEC. He is also actively involved in cybersecurity research, practice and training for the last 10 years. He has successfully completed numerous cybersecurity projects for leading banking, financial institutions and multinationals in the Asia Pacific Region. He delivers hands-on workshops on Cybersecurity and Hi-tech Crimes Investigation.

### Note :

1. ECF CPD includes CPD for ARWP, CRWP and ACSP designation holders
